Fahrzeugbeschreibung

Bentley Continental GT - Le Mans Edition (1 of 48 Worldwide) This exceptionally rare Bentley Continental GT Le Mans Edition, limited to only 48 units worldwide, represents one of the most exclusive and collectible modern Bentleys ever produced. Crafted to honor Bentley's legendary victories at the 24 Hours of Le Mans, this special edition combines unmatched craftsmanship, unique design elements, and signature Bentley performance.

Highlights:

Ultra-rare collector's model: No. 1 of only 48 worldwide

Exclusive Le Mans Edition detailing, including unique badging, interior stitching, and racing-inspired trim

Hand-crafted Bentley interior with premium materials, special edition plaques, and bespoke finishes

High-performance Bentley powertrain delivering smooth, effortless acceleration

Exceptional condition, carefully maintained and presented to the highest standards

True investment opportunity for collectors and enthusiasts

This Le Mans Edition offers a perfect balance of luxury and motorsport heritage. A must-have for collectors seeking exclusivity and long-term value. Bentley Continental GT ? Le Mans Collection (1 of 48) Short summary: Limited run of 48 units worldwide, hand-built by Bentley Mulliner. Powered by the 6.0-L W12 (~659 PS / 900 Nm). Numerous Le Mans-specific touches (No. 7 emblem, Speed 8 component in the Rotating Display, 24-hour dial, presentation crate + sculpture). Complete (compiled) equipment & feature list ? Le Mans Collection Note: Bentley supplies the Le Mans Collection as a highly individualized Mulliner special edition; individual cars may differ due to Mulliner options or customer choices. The list below combines the edition's standard features and extras explicitly mentioned in press and specialist coverage.

Bentley CONTINENTAL GT LE MANS EDITION 1 of 48

FULLOPT!

6.0-litre W12 twin-turbo engine. Output: ~659 PS (?650 bhp). Torque: ~900 Nm.

8-speed dual-clutch transmission. All-wheel drive.

Performance figures: 0-100 km/h in ?3.6 s; top speed ?335 km/h (?208 mph).

Exterior: (Le Mans Collection special items)

Verdant green (motorsport-style) paint with contrasting racing stripe details.

No. 7 emblem on the grille referencing the Speed 8 #7.

Unique Bentley matrix grille treatment for the edition.

Special Le Mans Collection wheel design.

Bodywork and aero details inspired by the GT Speed specification.

Interior & materials:

Full high-quality leather (e.g., Beluga or equivalent depending on specification).

Bespoke inlay veneers (examples include Piano Black, Bright Aluminium or carbon variants depending on Mulliner choices).

Inlaid Le Mans edition plaque / artwork in the dashboard veneer celebrating Bentley?s Le Mans victories.

Standard analogue clock replaced by a custom 24-hour dial for the edition.

Embroidered headrests with Le Mans or edition badging.

Mulliner / Le Mans unique extras:

Bentley Rotating Display incorporating a component (a valve/tribute) from the Speed 8 race car ? integrated as a unique edition feature.

Presentation crate (custom wood/finish) containing: keys, exclusive Speed 8 sculpture, and a companion book; crate and presentation elements finished to match the edition livery.

Exclusive hardcover book about the Speed 8 and Bentley?s Le Mans history.

Bespoke car cover matching the edition livery.

Comfort & infotainment:

(typical high-end Bentley equipment; edition includes these)

Bentley Rotating Display (touchscreen / analogue / veneer modes).

Full digital instrument cluster (complemented by the Rotating Display).

High-end audio system (option packages vary by market ? OEM premium system such as Naim is commonly offered).

Apple CarPlay / Android Auto, Wi-Fi hotspot, integrated music streaming capabilities.

Power seats with memory, automatic climate control, ambient lighting and other luxury comfort features.

Chassis, suspension & brakes:

Adaptive air suspension with active damping and dynamic systems consistent with GT Speed-level tuning.

Torque vectoring and dynamic ride systems as per Bentley performance options.

Carbon-ceramic brakes available as an option on some cars.

Driver assistance & safety:

Front and rear parking sensors, rear-view camera, adaptive cruise control, auto high beam, speed limiter, blind-spot monitoring ? typical of Continental GT specification.

Miscellaneous / numbering / personalization:

Numbered Le Mans Collection badges / scuff plates / sill plates showing the limited-edition number.

Each car is hand-built by Mulliner and may include additional customer-requested Mulliner personalization options.
