Fahrzeugbeschreibung

Ferrari 12Cilindri Spider

Highly Specified | V12 Naturally Aspirated | Investment Grade Specification

Presenting an exceptionally configured Ferrari 12Cilindri Spider, finished in the iconic Grigio Silverstone Metallic with contrasting Nero DS Black Roof and an exclusive Special Orange Leather Interior.

This specification combines timeless elegance with a bold sporting character and is among the most desirable configurations available for Ferrari's newest V12 flagship.

The Last of an Era Powered by Ferrari's legendary 6.5-litre naturally aspirated V12, delivering 830 HP, the 12Cilindri Spider represents everything enthusiasts love about Ferrari: instant throttle response, an unforgettable soundtrack and a driving experience that is becoming increasingly rare in today's automotive world.

As manufacturers move toward hybridisation and electrification, Ferrari's naturally aspirated V12 models are widely regarded as future collector cars.
