Exclusive Opportunity

The Ferrari 849 Testarossa Spider is set to become one of the most desirable open-top Ferraris of its generation. Configured in the timeless Rosso Corsa colour combination and equipped with an exceptional selection of factory options, this example offers the perfect balance of performance, exclusivity and everyday usability. The extensive Carbon Fibre Package, Racing Seats and premium technology create a specification that stands out even among the earliest production cars.

Whether you are a passionate Ferrari enthusiast, a discerning collector or an investor looking for one of Ferrari's most exciting new models, this is a rare opportunity to secure an outstanding example before general availability becomes increasingly limited.

Serious enquiries are welcome.

Viewing by appointment only.
