Sales Description

The Lamborghini Temerario represents the next evolution of Lamborghini's legendary super sports cars. With its revolutionary 920 PS hybrid powertrain, razor-sharp design and unmistakable Verde Mantis finish, this vehicle delivers an unparalleled driving experience both on road and track.

The combination of extensive carbon interior elements, high-end technology such as the Sonus Faber sound system, and advanced driver assistance systems ensures a perfect balance between luxury, performance and everyday usability.

This configuration stands out thanks to its high-spec factory equipment, aggressive color combination and carefully selected options, making it a truly exclusive example of Lamborghini's newest generation of supersports cars. A rare opportunity to secure one of the most advanced and exciting Lamborghinis ever built.
