Performance The Revuelto combines Lamborghini's legendary naturally aspirated V12 engine with advanced hybrid technology to produce more than 1,000 horsepower. The result is instantaneous response, breathtaking acceleration, and a driving experience unlike anything else on the market. Vehicle Configuration- Exterior: Arancio Dac Lucido Metallico

- Interior: Nero Ade with Arancio Leonis Details
- Wheels: Altanero Forged 21"/22" Shiny Black
- Brakes: Carbon Ceramic with Arancio Calipers
- Audio: High Premium Sonus Faber Sound System

Dealer Comment This exceptional Lamborghini Revuelto is specified in one of the most desirable color combinations available. The striking Arancio Dac Lucido exterior, extensive carbon fiber detailing, premium Sonus Faber sound system, heated electric comfort seats, and high-level driver assistance features make this a truly outstanding example. The Revuelto represents the future of Lamborghini while preserving the emotion of the iconic naturally aspirated V12. With demand for highly specified cars remaining exceptionally strong and production availability limited, opportunities to acquire a configuration of this quality are increasingly rare. Serious enquiries are highly recommended. Vehicles of this specification and presentation do not remain available for long.
